POLICY #4

PROFESSIONAL DEVELOPMENT

The Ka'ōhāo School Governing Board recognizes the value of professional development to the quality of teaching and learning of Ka'ōhāo Public Charter School students.

The Governing Board wishes to recognize the achievement of teachers who attain the highest class of professional development provided for in the HSTA master contract.

Therefore, the Governing Board hereby establishes the policy that each teacher who attains or has attained the highest class designated in the relevant HSTA master contract (class 7) shall receive a one-time stipend of four hundred dollars (\$400). This one-time stipend shall be payable at the beginning of the school year following the determination of a teacher's eligibility. Eligible teachers shall present verification of salary class status to the Director. This policy shall take effect in the 2014-2015 school year and continue thereafter.
