

Vintage Lanikai Auction Gala

**To benefit Ka'ōhāo School
(Formerly Lanikai School)
Special Appeal 2017-2018**

Dear Valued Donor:

Vintage Lanikai over the years has been a great community event that brings together people who are passionate about public education. While we did change our name, we are still the same small, community-based, charter school that is doing more with less. It is well documented that charter schools receive less funding than other public schools here in Hawai'i. We as a community have been able to make a significant impact in the educational experience for our keiki because of our generous school community.

Year after year, Ka'ōhāo School students lead their peers across the state in both Reading and Math. But we are so much more than test scores! Together with parent and community partnerships, we value the whole child with an emphasis on The Arts (visual and performing), Physical Wellness and Technology so that we can produce the next generation of leaders who are creative, critical thinkers, confident and compassionate about their community.

People like you have partnered with us in the past to fulfill our fundraising goals over the years:

2013	Papa 'Ike Hawai'i (Hawaiian Studies)	\$ 20,000
2014	The Outdoor Stage	\$ 30,000
2015	21 st Century Classrooms	\$ 50,000
2016	Air Conditioning!!!	\$ 70,000
2017	Shade Structure for Play Court (part I)	\$100,000

We are still actively fundraising to build a shade covering for our basketball court! The covering will protect our Keiki from harmful and damaging sunrays while allowing us to continue our highly recognized PE program. We need your help more than ever to achieve our goal!

Can WE do it? Yes WE can!

If you are unable to attend our annual event, you can make a direct donation to the school. All donations are tax-deductible and will go directly to benefitting the Keiki of Ka'ōhāo School.

Respectfully,
Dr. Ed Noh
Director, Ka'ōhāo School
