Aloha Ka'ōhāo School Community,

We just wanted to take this moment to first, thank you for the continued support and partnership in developing in your child(ren) an educational experience that leads to excellence not only in learning but in how to navigate life in a flourishing way. Second, we want to thank you for the continued support and partnership in our annual community fundraiser, *Vintage Lanikai Auction: to benefit Ka'ōhāo School*. This year, it will be held again at the Mid-Pacific Country Club on February, 23rd, 2019. For those who are new to our Ka'ōhāo 'ohana, in the past years, this fundraiser alone hosted by the fearless leadership of our KSO (our parent organization) have fully funded the following aspects of our school:

- **Hawaiiana Studies with Kumu Lilinoe**
- **Performing Arts stage under the Banyan tree**
- **Air conditioning in all classrooms**
- **Audio Visual units in all classrooms**
- **Funding for a new shade structure over the basketball court (Coming Spring 2019!)**

This year, our special appeal at the Auction will be a *22nd Century Classroom that will introduce innovative and research-driven elements of school design* for all of our classrooms! With your continued support and partnership, our goal is to make this happen in each of our unique classrooms within one year's time! Imagine flexible learning environments appropriate for unique developmental stages of our children and accommodating individual learning needs, complementing the unparalleled excellence in our teachers and staff!
