Vintage Lanikai Auction 2020

To Benefit Ka'ohao School

(formerly Lanikai School)

Aloha!

Thank you for being a champion of public education! As a charter school, we receive less state per pupil funding than traditional DOE schools. We appreciate people like you who understand the need to support our students to help overcome these funding and facility inequalities. Despite these real challenges, we have been the little school that has done more, with less!

Speaking of less, we are the first Zero Waste school in Hawaii to divert 100% of our food waste from the landfill to reproducible, rich, compost and vermicompost. In fact, we were awarded a national award for all K-12 schools across America by the EPA for Food Recovery. Our students are learning about servant leadership through real hands-on STEAM-driven, inquiry-based, and experiential learning.

Ka'ohao School students not only lead the nation in school gardening, food recovery, and zero waste efforts, but our students also lead the State of Hawai'i in student performance in Reading, Math, and Science. But we are so much more than test scores!

Currently, our phone system and some of our communication and technology equipment is antiquated and outdated. In case of any emergency, we want our children to be in an environment where staff are able to protect the school as quickly and efficiently as possible.

***Please help Ka'ohao to provide our students with
"State of the Art Safety and Communication Systems"
that will keep our school safe, modern and efficient.
Your generous donation will help us achieve our goal
of raising \$200,000!***

Vintage Lanikai is THE community event of the year held at the beautiful Mid-Pacific Country Club. For your generous donation, you will be our special guests and your business name will join the many like-minded organizations that believe and support our public charter school on our auction event website, banners, and publications.

Your donation is tax-deductible and will directly benefit the keiki of Ka'ohao School. Tax ID #99-0351917

Please make all checks payable to "Ka'ohao School."
